GUESTCHAT

Hotels around the world pay thousands of dollars in monthly commissions to Online Travel Agents such as Expedia and Booking.com. GuestChat lowers those commissions by increasing direct bookings on hotel websites using our Booking Bot. Our target market is independently owned hotels and resorts with an average daily rate of US\$150. Our growth plan for the next 18 months is to go from 0 to 30 hotel clients by the end of 2022.

SPHARE MARKETPLACE

Sphere Marketplace is the e-commerce ecosystem where vendors and consumers both profit. Not only can users shop, they can also refer products to their friends and earn money if it's purchased, simply by sending a link! Sphere adds value to those who add value to the Marketplace. Shop. Share. Sphere.
